The Farmer's Wife

Is very careful about her churn. She scalds it thoroughly after using, and gives it a sun bath to sweeten it. She knows that if her churn is sour it will taint the butter that is made in it. The stomach is a churn. In the stomach and digestive and nutritive tracts are performed processes which are almost exactly like the churning of butter. Is it not apparent then that if this stomach-churn is foul it

makes foul all which is put into it?

The evil of a foul stomach is not alone the bad taste in the mouth and the foul breath caused by it, but the corruption of the pure current of blood and the dissemination of disease throughout the body. Dr. Pierce's Golden Medical Discovery makes the sour and foul stomach sweet. It does for the stomach what the washing and sun bath do for the churn-absolutely removes every tainting or corrupting ele-ment. In this way it cures blotches, pimples, eruptions, scrofulous swellings, sores, or open eating ulcers and all humors or diseases arising from bad blood.

If you have bitter, nasty, foul taste in your mouth, coated tongue, foul breath, are weak and easily tired, feel depressed and despondent, have frequent headaches, dizzy attacks, gnawing or distress in stom-ach, constipated or irregular bowels, sour or bitter risings after eating and poor appetite, these symptoms, or any consider able number of them, indicate that you are suffering from billousness, torpid or lazy liver with the usual accompanying indi-gestion, or dyspepsia and their attendant derangements.

hest agents known to medical sci-The best agents known to medical science for the circ of the above symptoms and conditions, as attested by the writings of leading leachers and practitioners of all the several schools of medical practice, have been skillfully and harmoniously combined in Dr. Pierre's Golden Medical Discovery. That this is absolutely true will be readily proven to your satisfaction if you will but mail a postal card request will be readily proven to your satisfaction if you will but mail a postal card request to Dr. R. MR. ROOSEVELT AND THE VAT-ICAN.

The chief material development in the Roosevelt-vatican incident in Rome yesterday was Mr. Roosevelt's repudiation of an attempt of the Methodist organiza- sistant superintendent of John Hancock

B. M. Tipple, pastor of the American Methodist Church, in which he severely arraigned the Roman Catholic Oburch.

A phase of the situation which is a!tracting more and more attention in Rome is the open disapproval of the vatican's action expressed by numercus Catholics, This is not confined to laymen, but extends to the hierarchy and even to the sacred college itself Some of the cardinals have privately expressed dissent from action which places the church in a position in any way hostile to Mr. Rocseveit.

In this manner the Rev. Father Eugene Hannan, pastor of St. Martin's Roman Catholic Church, Washington, last night gave his opinion of the refusal of the former president to accept the rules of the vatican concerning audiences and the consequent declination of the

pope to receive him. Father Hannan said that, in his opinion, Mr. Roosevelt had attempted to use his trip to Rome as future polit'cal capital, and did not seem to realiz. that the rules of the vatican would not
